

Tuition scholarships at the University of Brighton's International College

University of Brighton | International College

We know that a UK education is a significant investment in your future. In order to help international students with the costs of studying abroad, the International College awards partial scholarships for tuition each year.

In addition, the University of Brighton awards progression scholarships to the best-performing International College students.

Be rewarded for your academic achievements both in your home country and in the UK; apply to the University of Brighton's International College and you could receive one of our scholarships!

University of Brighton progression scholarships available to International College students

| Quantity and value | Available to |
|--------------------|--|
| 5 x £1000 | Students with the best academic grades and minimum 65% in English in their foundation certificate who have good attendance and are progressing to year one of an undergraduate degree at the University of Brighton. |
| 5 x £1000 | Students with the best academic grades and minimum 65% in English in their graduate diploma who have good attendance and are progressing to a master's degree at the University of Brighton. |
| Up to 5 x £4000 | Students with an overall grade of 70% or above, and progressing to undergraduate or master's degrees at the University of Brighton. These awards are decided by University of Brighton staff. |

Read about the success of scholarship-winning student Steven Salama!

Steven Salama, Egypt

Course: foundation certificate in computing and creative technology
University of Brighton degree: Software Engineering BSc(Hons)
Winner of a university scholarship for outstanding academic achievement

The staff at the International College have been so friendly and helpful. There is always someone to help with any problems I have or to give me advice about my studies.

My International College course has helped me to develop my academic and time-management skills.

My family is happy about my decision to study here and continue to support me as I improve my chances of achieving my career goals.

For more information or to apply, contact your Kaplan representative, Kaplan International Colleges office, Personal Education Planner or the Application and Admissions Centre.
