

Tuition scholarships at Glasgow International College

We know that a UK education is a significant investment in your future. For that reason, to help students with the costs of studying abroad, Glasgow International College awards partial scholarships for tuition each year.

In addition, the University of Glasgow awards progression scholarships to the best-performing Glasgow International College students.

Be rewarded for your academic achievements in your home country and in the UK; apply to Glasgow International College and you could receive one of our scholarships!

See the next page for details of progression scholarships from the University of Glasgow.

Progression scholarships from Glasgow International College to the University of Glasgow

We like to reward our top-performing students, and we also strive to make a high-quality university education in the UK an affordable opportunity. That's why we award progression scholarships to our highest-achieving students at Glasgow International College who go on to undergraduate or postgraduate degrees at the University of Glasgow. Read on for more details of these fantastic opportunities!

University of Glasgow progression scholarships available to Glasgow International College students each year

Scholarship quantity and value	Available to
2 x £2000	Students with a high Foundation Certificate grade, excellent attendance and an impressive personal statement progressing to an undergraduate degree at the University of Glasgow. The winners of the scholarships are decided by University and College staff.
3 x £3000	Students with an overall pass rate of 65% or above and an attendance rate of at least 90%, progressing to a postgraduate degree in Social Sciences, Science and Engineering or Medical, Veterinary and Life Sciences at the University of Glasgow. The winners are decided by University and College staff.

For more information or to apply, contact your Kaplan representative, Kaplan International Colleges office, Personal Education Planner or the Application and Admissions Centre. Alternatively, email gic@glasgow.ac.uk or visit our website!

“I first heard about GIC and the University of Glasgow through a friend, and an agent helped me through the admissions process.

I decided to study in the UK as I knew it would be good for me to experience a different style of teaching to help me progress to a Master’s at university.

At the College, it was great to talk to the other students and learn more about their home countries.”
