## THE PROGRAM

The goal of this program is to give you the perfect opportunity to practice your Spanish in a relaxed environment, among other students of your age group and proficiency level, who also share a passion for discovering Spanish culture.

You will have daily Spanish classes 9:00am - 1:00pm, which emphasize conversation skills but also include reading, listening, writing and grammar -all with as much focus as possible on practical, real-world situations. Chatting with your teachers, strolling through the botanical gardens or along the beach with your classmates are some of the most enjoyable aspects of our informal, relaxed course.

The success of our interactive method is due to the personalized attention our teachers provide all our students. There will never be more than 8 people in your class and they will be at the same level of Spanish as you.

DIFFERENT LOCATIONS

### ALICANTE

Alicante is a Mediterranean jewel just waiting to be discovered. It is a city that combines perfectly the peace and quiet of a small town with the dynamic vibrancy of a growing urban center. Just walk through its streets to see for yourself: one side will show you a serene Mediterranean city filled with friendly people and lovely restaurants just steps from the beach; the other, a city filled with museums, art and culture, proud of its past and its present, and of course of its wonderfully sunny climate. Alicante is the perfect place to discover.

### MALAGA

Malaga is a city that lends itself easily to exploration. Walk through this old port town's "open-air museum" in the center of the city to live its rich history expressed in ancient Phoenician, Roman, Arabic and Christian archaeological sites and architecture. Soak up the city's culture touring its endless museums (including the Museo Picasso – a tribute to the incredible artist born in Malaga). Wander through an interesting mix of traditional Andalusian and contemporary-modern shops, restaurants and bars.

### SALAMANCA

Situated in the northwest region of Castilla and León, this historic city offers culture and beautiful architecture. Home to one of Spain's oldest universities, Salamanca is a great place to learn Spanish, while also immersing yourself in authentic Spanish life. Relax in one of the many cafes and bars or stroll through the windy, cobble-stone streets of the old town.

### TENERIFE

Our Golden Years program is available in Puerto de la Cruz, an upscale town located in the northern part of Tenerife, the best-known of Spain's Canary Islands. Tenerife's attractions include far more than the 217 miles of stunning coastline - visitors can enjoy tropical forest walks, lunar landscapes surrounding the Teide volcano, luxury boutique shopping and exquisite Canarian cuisine. The famous Martiánez lakes and Parque Loro are just some examples of the numerous jewels in this island's crown.
