

## Post Baccalaureate Diploma in Accounting

Career opportunities for professional accounting exist across all industry sectors, government, education, not-for-profit and public accounting firms. The Post Baccalaureate Diploma in Accounting can help get you there.

An undergraduate degree in any discipline meets one of the requirements for accreditation as a Chartered Professional Accountant (CPA).

The Post Baccalaureate Diploma in Accounting at Okanagan College School of Business meets the new CPA Program requirements.

### Program description:

A two-year diploma program compiling 18 courses required as prerequisites to enter the CPA Professional Education program plus 2 electives.

### WHY THIS PROGRAM?

#### FAST

Two-year program with possibility of transfer credits and exemptions.

#### AFFORDABLE

Regular Okanagan College tuition, fees and text book costs apply.

#### QUALITY OUTCOMES

Graduates from the Okanagan School of Business enjoy success in a wide range of accounting careers – public practice, industry and government.

#### EXPERIENCED PROFESSORS

Teaching expertise and business experience combine to provide an interactive learning environment.

### Admission requirements:

Successful completion of an undergraduate degree. (Students must confirm with the CPA that their Bachelor degree satisfies the degree prerequisite of the CPA Professional Education Program).

## Have your degree? Wondering what to do next?

### The opportunities are endless.

Accounting goes beyond the production and audit of accounting records. Accountants are now increasingly involved in areas such as financial strategy development, performance indicator and financial information analysis, environmental safety assessments, computer system audits and corporate restructuring.

### Accounting will let you be what you want to be

### Hot careers to pursue in 2014 and beyond

Take your Accounting designation with you anywhere in the world in industries such as banking, government, no-for-profit, aviation, or even movie production.
