The 12-week iBT TOEFL Preparation Course is the best preparation for both the TOEFL test and life in higher education. The TOEFL test measures students’ ability to use and understand the English language in the university classroom and is accepted by 8,000 universities and institutions in more than 130 countries.

Students will not only learn the key skills for success in the TOEFL test, but also relate them to real life at university. Official iBT TOEFL practice tests will provide regular exam practice, allowing you to track your progress. With this course, students can enter the TOEFL test and university life filled with confidence.

Program Highlights
