## Our Spanish courses

- **Intensive courses** of 80 hours all year round, starting every month. Groups of all levels, from 6 to 15 students over 18 years old. Courses from a minimum of one month\* to a maximum of one year.

\*Possibility of 2-3 week courses according to the academic calendar.

- **Tailor made courses for groups** addressed to universities and educational agencies. Groups with a maximum of 18 students of the same language level.
  - **General courses** adapted to the specific needs of each group.
  - **Specialised courses:** business, tourism, academic writing, Spanish cinema, Spanish culture and traditions, Spanish and Hispanic American Literature.
- **Private lessons** arranged with a personalised programme for each student. They can be combined with intensive courses.

## Methodology

**Our language teaching method is based on:**

- A communicative approach, with a special focus on practicing oral expression.
- Communicative and interactive activities to develop the four main skills: listening, speaking, reading and writing.
- Individual assessment.
- Learning strategies that will help our students continue studying the language on their own.
- Living the language outside the classroom.

## UAB Languages Barcelona also offers:

- University library service
- Accommodation arranged by the university (Vila Universitària)
- Cultural visits to many interesting local sites

**A placement test, course evaluation and course materials are included in all our Spanish courses**
