

# High-School Programs

13 TO 18  
YEARS OLD

FROM  
A2 LEVEL

FROM  
1 TO 11  
MONTHS

Students will live the experience of a life-time!  
SILC gives the opportunity to study in a French secondary school while sharing the everyday life of a volunteer host family and interact with French mates and make international new friends.

Students will discover the French way of life and its culture. They will also improve language and overall skills, thanks to the French educational system, one of the most successful in the world, and in certain fields, it remains a world leader.

Students may also choose different options or extras to give more dimension to the program and depending on their objectives have an easier approach to the program.

**PARIS ORIENTATION TOUR UPON ARRIVAL**  
Culture introduction, excursions,  
French workshop\*

## • Practical information

- **Accommodation:** full board in a host family during week-ends and vacations. Lunch at school canteen during school days.
