We pave your way to university

No matter whether it's technology, music, economics or medicine, we are only too happy to help you **realize your study dreams**. Book a German language course with us and we will guarantee you a **well planned** and a **time saving preparation process** for the beginning of your studies.

Carl Duisberg Centren offers you **intensive German language courses** at 5 interesting locations in Germany. Qualified teachers, modern classrooms, an efficient communicative oriented teaching concept, officially recognized examinations and a course system of 10 consecutive levels based on the Common European Framework, are all indicators of a high quality language training. You can join any course level at any time. Each course level takes four weeks. We will successfully prepare you for the **DSH or TestDaF** examinations.

We co-operate with public and private universities such as Aachen, Berlin, Bremen, Dresden, Frankfurt, Hamburg, Hanover, Karlsruhe, Cologne, Constance, Leipzig, Munich, Mannheim, Stuttgart – to name just a few of more than 350 universities in Germany. You have the choice between a huge variety of subjects and locations, making Germany a **most attractive place to study** in central Europe.

With our diversity and over 40 years of experience in counseling foreign students, and through our close contact with many German universities, we lay the foundations for you for the best possible **success in your studies**. Year after year Carl Duisberg Centren accompanies hundreds of students on their way to a **successful career**.

Your advantages:

- Save time with an optimal plan which will ensure successful studies
