## German courses for adults in Frankfurt

### did deutsch-institut Frankfurt

Are you adventurous? Do you enjoy a good surprise? Then come to Frankfurt – the city at the very heart of Germany. It is guaranteed to astound you with its many contrasts. It's no surprise that Frankfurt is rich and chic, hectic and bustling ... after all, it is the most important financial center in the country! Skyscrapers abound, everything beaming – just like America in the middle of Europe – but actually, it would be a mistake to reduce the metropolis on the Main River simply to its role as a financial center. The city has much more to offer than that. In addition to the three most important tourist sights – Frankfurt Cathedral, Römerberg (historic center) and St. Paul's Church – there are numerous museums, parks, gardens, and other interesting places to discover, as well as a variety of nearby excursion destinations to explore.
