

## ACCOMMODATION

**UAB Idiomes Barcelona** offers accommodation through the university's accommodation service, *Vila Universitària*, to any student enrolled in our Spanish courses.

See below for a description of the different options.

### Accommodation in the city

#### **Selected host families**

Students who prefer to get closer to the Spanish culture and way of life are recommended to select a Spanish Host Family for accommodation. In a Host Family you will live as a member of the family. This is also a good way to learn more about the Spanish culture and students create a close relationship with their family. Students who choose a Spanish Host Family will have their own room and house key and can come and leave as they want.

We offer accommodation in a single room with breakfast and dinner included. Please, let us know if you have any special requirements that need to be taken into consideration. We can give you a brief description about the host family (occupation, children, pets, smoker/non-smoker).

All our Host Families are carefully chosen and very friendly. They have considerable experience in hosting students. Living with a Spanish Host Family is a great opportunity to make sure that your Spanish improves rapidly.

All apartments we use are located within a 5 to 20 minute walk or by metro to our university.
