German for juniors | Standard Courses 20

did deutsch-institut Nuremberg

If it had been popular in Medieval Ages to book a language course in Germany – Nuremberg would have been *the place to be*. During these times, Nuremberg was known to be one of the most beautiful and richest trade centers in Europe. If you didn't find it here, you couldn't find it anywhere! Of course, the city changed since then. Today, Nuremberg is a lively and modern city. And still, you will feel Nuremberg's great historical significance when you see the countless magnificent town houses, palaces and churches. It is also a center of sports – no wonder, since Nuremberg is home to one of the most traditional German football clubs.
